### Schedule A - Taxes Paid to Other Jurisdiction

**Requirements.** As a New Jersey resident, you may be eligible for a tax credit against your New Jersey income tax if you have income from sources outside New Jersey. To qualify, your income must be subject to **both** the New Jersey income tax and the income or wage tax imposed by another jurisdiction outside of New Jersey for the same year. For this purpose, "jurisdiction" means any state of the United States or political subdivision of such state, including the District

of Columbia. **Pennsylvania residents see page 44.** No credit is permitted for taxes paid to the U.S. Government, Canada, Puerto Rico, or any foreign country or territory.

To receive the credit for taxes paid to another jurisdiction you must:

1. Complete Schedule A in its entirety. You may be required to complete more than one Schedule A in certain situations. See below.
2. Enclose Schedule A(s) with your NJ-1040 income tax return.

**Completing More Than One Schedule A.** You must complete a separate Schedule A for each jurisdiction for which you are claiming a credit. You must also complete a separate Schedule A for each tax imposed by a jurisdiction.

- ♦ *Two or more jurisdictions (i.e., a state and political subdivision(s) therein) impose tax on the same income.* For example, when both a state and a city within that state tax the same income, you may have to complete and enclose a separate Schedule A for each jurisdiction (see "Same Income Taxed by More Than One Jurisdiction" on page 43).

A corps of 2,500 volunteers provide free one-on-one instruction to more than 4,500 students each year. **Line 63 - New Jersey — Other Designated Contribution****08 - New Jersey Veterans Haven Support Fund**

New Jersey has among its homeless population an estimated 5,000 to 6,000 veterans of the United States Armed Forces. Our nation and our State, grateful for its hard-won freedom and democracy, owes a special debt to veterans. The military teaches us to retrieve our wounded and bring them home. Our program aims to meet this challenge on the streets, in the shelters and at the front line of human existence where our brothers and sisters find themselves in their time of greatest need. Veterans Haven is a drug and alcohol free program and residents must abide by this zero tolerance rule. We can house up to fifty-five veterans for a two-year period. During this time we provide them with various services that will assist them in returning to society as productive individuals once again. For more information visit [www.state.nj.us/military/vetshaven/index.html](http://www.state.nj.us/military/vetshaven/index.html).

**Line 63 - New Jersey — Other Designated Contribution****09 - Community Food Pantry Fund**

Food is one of our most basic human needs and all of New Jersey's families should have access to food in order to maintain good health and wellness. New Jersey's food pantries assist individuals in need by providing them with nutritious foods they may not be able to afford. These emergency food providers are currently supported by: private donations, farmers, food manufacturers, local businesses, and State and Federal governments. To advance the effort toward better assisting the needy with overcoming food insecurity during these tough economic times, especially children and senior citizens, the State Legislature has established a Community Food Pantry Fund to allow each taxpayer the opportunity to help by indicating on their New Jersey gross income tax return that a portion of their tax refund or an enclosed contribution of their choice shall be deposited in this special fund for the purchase and/or distribution of food in conjunction with the terms of the State Food Purchase Program for those in need. For more information, go to <http://www.state.nj.us/agriculture/divisions/fn/>

**Line 63 - New Jersey — Other Designated Contribution****10 - Cat and Dog Spay/Neuter Fund – Help Save the Lives of NJ Dogs and Cats!!**

Every year over 37,000 dogs and cats are euthanized in NJ animal shelters and pounds. Spaying and neutering animals is the most efficient strategy to reduce the number of unwanted puppies and kittens for which not enough homes are available. The Department of Health and Senior Services Animal Population Control (APC) Program contracts with over 160 participating veterinary hospitals in NJ to provide spay/neuter services at either \$10 for animals owned by NJ residents on public assistance programs, or \$20 for those which have been adopted from NJ animal shelters/pounds or rescue groups. Current demand for this program far exceeds the available funding from NJ Animal Friendly License Plate sales and dog licensing surcharge fees.

Your contributions will help to fund more spay and neuter surgeries for NJ's dogs and cats. Please also consider showing your support by purchasing Animal Friendly License Plates. For more information, go to <http://nj.gov/health/cd/izdp/vph.shtml>.

**Line 63 - New Jersey — Other Designated Contribution****11 - New Jersey Lung Cancer Research Fund**
